On the Keyboard Tab in the Skoogmusic software, open the notes file: HallAndOates\_KissOnMyList

My friend wonder why I call you all the time

What can I say -

I don't feel the need to

Give such secrets a way -

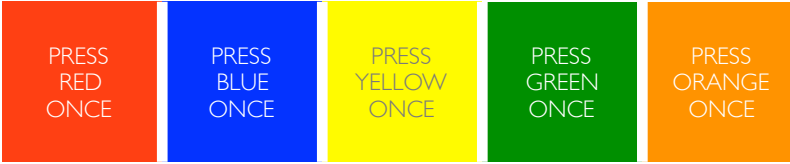

You think maybe I need help

No, I know that I right -

# HALL AND OATES: KISS ON MY LIST

## HALL AND OATES: KISS ON MY LIST

I'm just better off

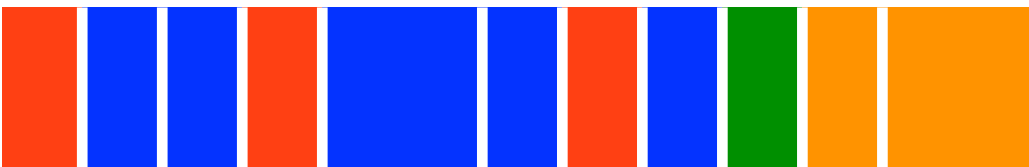

Not listening to friend's advice

When they insist on knowing my bliss

I tell them this

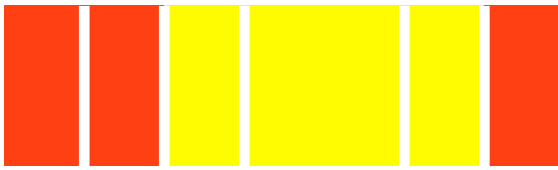

When they want to know what the reason is

I only smile when I lie then I tell them why

HALL AND OATES: KISS ON MY LIST 

---

(Be- cause your kiss) you kiss

is on

my list

---

# HALL AND OATES: KISS ON MY LIST

(Be- cause your kiss) you kiss is on my list

Be- cause your kiss is on my list

of the best things in life -

(Be- cause your kiss) you kiss is on my list

(Be- cause your kiss) you kiss I can't re- sist

Be- cause your kiss is what I miss

when I turn out the lights -
