

On the Keyboard Tab in the Skoogmusic software, open the notes file:

I was perched outside in the pouring rain

Trying to make myself a sail Then I'll float to you

FileName

my darling, with the evening on my tail

Although not the most honest means of travel

It gets me there nonetheless

I'm a heartless man at worst babe

KEYS

And a help- less one at best Dar- ling I'll bathe

your skin, I'll ev- en wash your clothes

Just give me some can- dy bef-ore I go

Oh dar- ling I'll kiss your eyes and la- y down on your rug

Just give me some can- dy af- ter my hug

Oh I'm of- ten false ex- plai- n in- g

But to her it plays out all the same And al- though I'm left de- fea- ted

It gets held against my name I know you got plenty to

of-fer ba-by, but I guess I've ta-ken quite en-ough; While I'm some stain

there on your bed sheet you're my diamond in the rough

Dar-ling I'll bathe your skin I'll ev-en wash

your clothes, just give me some can-dy be-fore I go

Oh dar-ling I'll kiss your eyes and la-y down on your rug

Just give me some can-dy af-ter my hug

## MUSICAL BREAK

## MUSICAL BREAK

I know that the writing's on the wall

But dar- ling I'll bathe your skin

I'll ev- en wash your clothes Just give me some can- dy

Af- ter my hug

## MUSICAL BREAK UNTIL END

More than 5 notes are used, but can harmonise along if you want to.
