

BERNARD CRIBBINS:  
RIGHT SAID FRED

Music and Lyrics by: Bernard Cribbins

Riff in chorus

The riff above is just a starting point. Improvise throughout.

The song will change key about halfway through. When it does (around 0:58 in the YouTube video), go to the [Notes Tab](#) in the Skoogmusic software, under [Transpose](#) at the bottom of the tab, move the slider to the right to 1 Semitone.
