

On the Notes Panel in the Skoogmusic software, open the notes file: Chvrches_WeSinkn

We are

I've come apart and you made me

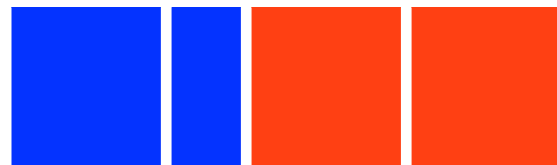

Float like

A pretty box of your e-vil

So tired

So ea-sy I

Bleed out

* * * were you think-ing

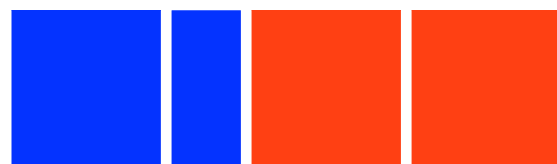

We are

gon-na fall if you lead us

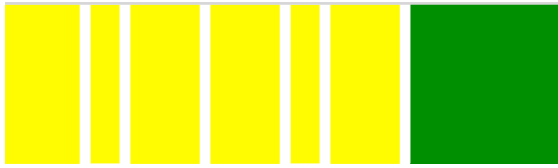

No-where

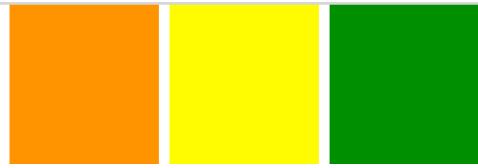

no wast-ed time

KEYS

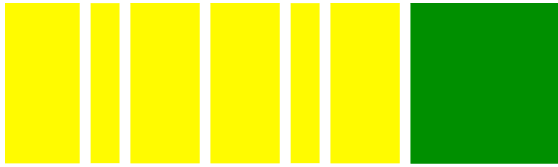

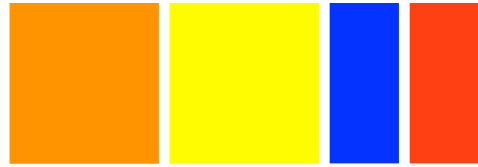

I'll be a thorn in your side

Till you die

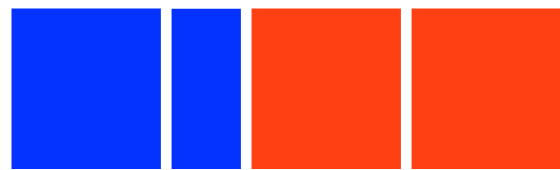

I'll be a thorn in your side

For al-ways -

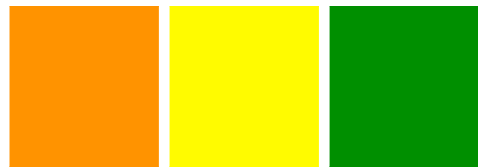

We sink

We lift our love

I'll be a thorn in your side

Till you die

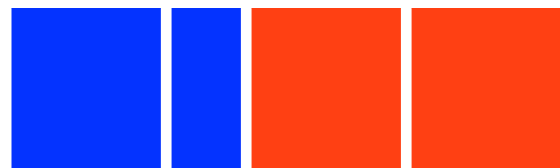

I'll be a thorn in your side

For al-ways -

We sink

We lift our love
