

JESSIE J: PRICE TAG

Music and Lyrics by: JESSIE J

Seems like everybody's got a price I wonder... sleep at night

When the sale comes first And the truth comes second

Just stop for a minute and smile

Why is everybody so se-ri-ous Acting so damn mys-te-ri-ous

Got your shades on your eyes And your heels so high

ge 1 of 2

KEYS

| | | | | |
|----------------------|-----------------------|-------------------------|------------------------|-------------------------|
| PRESS RED ONCE | PRESS BLUE ONCE | PRESS YELLOW ONCE | PRESS GREEN ONCE | PRESS ORANGE ONCE |
|----------------------|-----------------------|-------------------------|------------------------|-------------------------|

That you can't even have a good time

Everybody look to their left

Everybody look to their right

Can feel that yeah

We're paying with love to-night

It's not about... money money money

We don't... money money money

We just wanna... world dance

Forget about the price tag

Ain't about the

Cha-Ching...

Ain't about the

Ba-Bling Ba-Bling

We just wanna... world dance

Forget about the price tag
